

**GIFTED & CREATIVE SERVICES AUSTRALIA  
IS PLEASED TO ANNOUNCE:**

## **UNDERSTANDING GIFTEDNESS A VIDEO PRESENTATION BY LESLEY SWORD**

Topics covered in this video include discussion of the following characteristics that are all “normal for gifted”:

- ✓ Intellectual complexity and depth
- ✓ Emotional intensity
- ✓ Overexcitability
- ✓ Idealism / perfectionism
- ✓ Moral development
- ✓ Fairness and justice
- ✓ Physical Sensitivity

**This video will be helpful for:**

- *Parents who want to understand their gifted child as a whole person and not simply their intellectual and academic ability*
- *Gifted adults who want to understand themselves and their differences*
- *Gifted adolescents who may be at risk of depression during their search for self identity*
- *Teachers who want to broaden their knowledge about giftedness*
- *Other professionals whose work brings them into contact with gifted children and/or adults.*

**In addition, this video may be used:**

- *As a base for constructive discussion between the parents of their gifted children*
- *To provide shared information for parents and gifted children who may watch it together*
- *As a basis for support groups for parents of gifted children*
- *A basis for discussion groups for gifted children run by educators in schools*
- *A means by which gifted adults may initiate gifted support groups in their local area.*
